

Pureland Industrial Complex Internal Circulator

The Internal Circulator is an on-demand service that travels anywhere within the bounds of the Industrial Complex.

How does it work? When transferring to the Internal Circulator, tell the driver where you work, and The Internal Circulator will take you there. If you do not have an opportunity to make arrangements with the driver, call SJTA Customer Service to schedule your pick-up and drop-off in advance at 856-227-7571.
